

WaterHog® Mats

WaterHog mats are durable, stain-resistant mats with a unique bi-level design that traps dirt and moisture. They are the top safety pick, helping prevent slip-and-fall accidents. These mats stay in place even with wheelchairs, walkers, and heavy traffic.

- **Clean & Dry** – Bi-level surface effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking; water dam border holds moisture keeping it off your floors
- **Durable** – Reinforced rubber nubs prevent pile from crushing and extend the performance life of the mat
- **Fade & Stain Resistant** – Solution-dyed PET fabric is resistant to staining, dries quickly, and will not fade or rot
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI)
- **Eco-Friendly** – SBR rubber backing contains 20% post-consumer recycled rubber from car tires; PET surface is made from 100% post-consumer recycled plastic bottles
- Available in 19 colors with a classic rubber border or fashion fabric border

Bi-level design
effectively scrapes dirt and moisture from shoes, trapping it beneath shoe level to prevent tracking

Cushion Max™ Mats

Cushion Max anti-fatigue mats feature nitrile-blended foam designed to withstand grease, oil, and chemicals.

- **Comfortable** – 5/8" nitrile-blended closed-cell foam provides excellent anti-fatigue properties
- **Durable** – Diamond-pattern surface provides increased durability compared to ribbed surfaces which tend to peel and shave
- **Safe** – Beveled edges provide a safe transition from floor to mat; certified high-traction by the National Floor Safety Institute (NFSI)
- Grease and oil resistant; chemical resistant
- Though similar in price to PVC foam anti-fatigue mats, Cushion Max mats typically last twice as long

Hog Heaven® Mats

Hog Heaven anti-fatigue mats are designed to provide comfort and durability in a variety of harsh conditions.

Border Options

available with solid black or OSHA-approved yellow striped-border

- **Comfortable** – High-density nitrile-blended cushion helps eliminate pressure to the lower back and legs, providing superior comfort
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI); sloped edges provide a safe transition from floor to mat
- **Durable** – Nitrile-blended cushion provides years of useful service life; cushion is molded, not glued, to the nitrile rubber surface so it will not separate; edges will not crack or curl
- **Versatile** – Welding safe; ESD rating of electrically conductive; chemical resistant; surface is grease/oil proof and cushion is grease/oil resistant
- 5/8" or 7/8" thick with solid black or with OSHA-approved caution yellow borders on two sides

Hog Heaven III® Comfort Modular Tiles

Hog Heaven III Comfort Tiles provide a customizable matting solution for virtually any configuration. They offer outstanding anti-fatigue qualities and perform in various environments including those with oil, grease, and chemicals.

- **Comfortable** – High-density, closed-cell nitrile rubber cushion provides excellent anti-fatigue qualities to reduce the pain and fatigue associated with standing for long periods of time
- **Safe** – Certified high-traction by the National Floor Safety Institute (NFSI); sloped edges provide a safe transition from floor to mat
- **Durable** – Nitrile-blended cushion provides years of useful life and is molded, not glued, to the nitrile rubber surface so it will not separate
- **Versatile** – Welding safe; grease/oil resistant; chemical resistant; ESD rating of electrically conductive
- Tiles are 3/4" thick and available with black or OSHA-approved yellow striped border
